Y : SUNBEAMS. The entire police force of a city in Con ecticut resigned recently in a body. It consisted of There is talk of shipping Cleopatra's Needle from Alexandria to England, in order to erect it on the Thames embankment. -An Arkansas man had the invitations to his tin wedding printed on square sheets of the metal, which were duly enclosed in envelopes. —A Virginia paper says: "The Governor is about to commission 400 colonels of militis, that being the number of Virginians over twenty-one who have of title already."

—The people of Worcester, Mass., have so little reverence for the dead that they use one of the cemeteries as a base ball ground and pasture for goats, -An old lady who inquired for the "dol-'ar Varden hat" went away sorrowing when the clerk told her that they were just out, but he had plenty of "six dollar Variens."

—A Boston paper states that several quarts vest of buttons were found on the floor of one of the public halls in that city after a humorous lecture had been delivered the previous evening.

—The long-standing question as to wheth er Hartford or New Haven shall henceforth be the per-manent capital of Connecticut, will be brought forward in the Legislature of that State in a few days. Hitherto the rival cities have divided the honor between then the Legislature meeting one year at Hartford and the -Newport is the most aristocratic of our summer resorts: Long Branch the most democratic and promiscuous; Saratoga the most cosmopolitan and tasnionable; Richfield and Sharov quiet and select; Lake George select and substantial; Narragansett gen teel, fashionable, and a triffe shoddy; New London ex slusive; and Cape May most dangerous, socially. -The aggregate popular vote for President in 1868 was about 5,788,000. At the present tim the population of voters of alien nationalities, including the colored voters, is as follows: Colored, 808,000, or whom 55,000 are in the Northern, and 56,000 in the border States. The Irish have 306,446, being strongest in New York and Pennsylvania. The Germans have about 280,-900; the Welsh, 71,000; the Scandinavian, 34,426; the -The following is a certificate given by a Troy lawyer to an applicant for admission to the bar:
"I hereby certify that the bearer, ——, was a student in my office for ten months; that during the whole of that time his character for plety, chastity, and honesty was above reproach; and his example was such that from my daily contact with him I have now become a plous and consistent member of the church, and a useful member of society." -A passenger on an English mail train suddenly awoke from a nap and sprang from the car. The train was going at the rate of fifty miles an hour at the time, and the man after rolling down an embankment found himself in a ditch, with one arm broken several teeth knocked out, besides being severely scratched and bruised. He was quite unable to give any reason for jumping off the car, but supposed he must have done so in his sleep, as he had no recollection of anything until he found himself rolling down the emdelanted --- gemales.
